NOTES:

1) In view of the continuing outbreak of COVID-19 pandemic situation, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May 2020 issued by the Securities and Exchange Board of India (referred to as "SEBI Circular") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue to follow social distancing norm and the continuing restriction on movement of persons at several places in the country. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.

2) The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM is annexed.

3) Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been

dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

4) Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to integra.rehana@gmail.com.

5) The register of members and share transfer book will remain closed from Tuesday, the 22nd September, 2020 to Monday, the 28th September, 2020 [both days inclusive]. Members may join the 28th AGM through VC/OAVM Facility by following the procedure as mentioned below which shall be kept open for the Members from 2:00 p.m. IST i.e. 30 minutes before the time scheduled to start the 28th AGM and the Company may close the window for joining the VC/OAVM Facility 30 minutes after the scheduled time to start the 28th AGM. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

6) As per Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form.

7) To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with the Company.

8) Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to the Company.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in physical form can submit their PAN details to the Company.

9) Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company before 7 days of the date of AGM through email on integra.rehana@gmail.com.

10) Pursuant to Section 72 of the Companies Act, 2013, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13.

11) The company has created an exclusive E-mail. Id: integra.rehana@gmail.com / for quick redressal of shareholders/investors grievances.

12) In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company's website www.integraindia.com and at the BSE website www.bseindia.com.

13) In terms of Section 152 of the Companies Act, 2013, Mrs. Mayuri Pankaj Vora (DIN 07163533), Director retires by rotation at the ensuing annual general meeting and being eligible, offers herself for reappointment.

14) Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements), 2015, the Company is pleased to provide E-voting facility through CDSL for all the members of the Company to enable them to cast their votes electronically. The instructions for E-voting are attached herewith.

16) The Board of Directors of the Company has appointed Mr. Dineshchandra Mangaldas Mehta of M/s. Dinesh Mehta & Co., Company Secretary in Practice as Scrutinizer to scrutinize the e-voting process in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for same purpose.

17) Voting rights shall be reckoned on the paid up value of shares registered in the name of the member as on the cut-off date i.e. Monday, 21st September, 2020. A person, whose name is recorded in the register of members by the depositories as on the cut-off date, i.e. Monday, 21st September, 2020 only, shall be entitled to avail the facility of e-voting / Poll.

18) The Scrutinizer, after scrutinising the votes cast at the meeting through e-voting and through remote e-voting will, not later than 48 hours of conclusion of the meeting, make a consolidated scrutinizer's report and submit the same to the Chairman. The results declared along with the consolidated scrutinizer's report shall be placed on the website of the Company www.integraindia.com and the results shall simultaneously be communicated to the Bombay Stock Exchange.

19) Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the meeting.

We have taken in to account the provision of the Act, the accounting and auditing standards and the matters which are required to be included in the audit report under the provisions of the Act and the rules made thereunder and order under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company 's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2020;

ANNEXURE 'B' TO INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF INTEGRA SWITCHGEAR LIMITED

(Referred to in point (f) of paragraph 02 under "Report on other legal and regulatory requirement" of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **INTEGRA SWITCHGEAR LIMITED** ("The Company"), as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting including obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issues by the Institute of Chartered Accountants of India.

2. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

I. BASIS OF PREPARATION AND MEASUREMENT:

a. Compliance with Ind-AS

In accordance with notification dated 16/02/2015, issued by Ministry of Corporate Affairs, the company has adopted Indian Accounting Standards (Referred to as “Ind AS”) notified under Companies (Indian accounting Standards) Rules, 2015 with effect from 01/04/2016.

The financial statements have been prepared in accordance with Ind AS notified under companies (Companies Accounting Standards) Rules, 2015. These are the company’s second Ind AS Financial Statements. The Date of transition to Ind AS is 01/04/2016. Refer to Note No.4 of First time adoption –mandatory exceptions and optional exemptions are availed by the company.

Up to the year March 31, 2017 the company had prepared the Financial Statements under the historical cost convention on accrual basis in accordance with the generally accepted Accounting Principles (Previous GAAP) applicable in India and the Applicable Accounting Standards as prescribed under the provisions of the Companies Act, 2013 read with the Companies (accounts) Rules, 2014.

In Accordance with Ind AS 101 “First Time adoption of Indian Accounting Standards” (Ind AS 101), The Company has presented a reconciliation of shareholders equity under Previous GAAP and Ind AS as at March 31, 2020

b. Historical Cost Convention

The financial statements have been prepared on historical cost basis except for the followings:

- Certain financial assets and liabilities and contingent consideration that is measured at fair value;
- Assets held for sale measured at fair value less cost to sell.
- Defined benefit plans assets measured at fair value and

Historical Cost is generally based on the fair value of the consideration given in exchange for goods and services.

The Financial Statements are presented in Rupees in Lacs and all values are rounded to nearest in two decimal points except where otherwise stated.

II. CURRENT VERSUS NON CURRENT CLASSIFICATION

The Company Present assets and liabilities in the balance sheet based on current/non current classification. An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold consumed in normal operating cycle
- b. Held primarily for the purpose of trading or
- c. Expected to be realized within twelve months after the reporting year.

All other assets are classified as non - current.

A Liability is current when:

- a. It is expected to be settled in normal operating year.
- b. It is held primererily for trading and manufacturing
- c. It is due to be settled within twelve months after the reporting year other than for (a) above or,
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting year.

All other liabilities are classified as non - current.

III. FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as derivatives at fair value at each balance sheet date.

Fair Value is the price that would be receive to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date.

A Fair value measurement of non financial assets takes into account a market participants ability to generate economic benefits by using the assets in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The company categories assets and liabilities measured at fair value into one of three levels as follows:

Level-1: Quoted (Unadjusted)

This Hierarchy includes financial instruments measured using quoted price.

Level-2 :

Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the assets or liability, either directly or indirectly.

Level 2 inputs includes following:

- a. Quoted Prices for similar assets or liabilities in active markets.
- b. Quoted price for incidental or similar assets or liabilities in markets that are not active.
- c. Input other than quoted prices that are observable for the assets or liability.
- d. Market-Corroborated inputs.

Level-3

They are unobservable inputs for the assets or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair Value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

IV. NON CURRENT ASSETS HELD FOR SALE

Non Current assets held disposal groups classified as held for sale are measured at the lower of carrying amount and fair value less cost to sell.

V. PROPERTY PLANT AND EQUIPMENTS

Property, Plant and Equipment and intangible assets are not depreciated or amortized once classified as held for sale.

For transition to Ind AS, the company has elected to continue with the carrying value of its property, Plant and Equipment(PPE) recognized as of April 01, 2016 (Transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as on the transition date.

PPE are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expense for bringing the assets to its working conditions for its intended use (net of recoverable taxes) and any cost directly attributable to bring the assets into the location and conditions necessary for it to be capable of operating in the manner intended by the management. It includes professional fees and borrowing cost for qualifying assets.

Significant Parts of an item of PPE (Including major Inspections) having different useful lives and material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of Profit and Loss as incurred.

Depreciation of this PPE Commences when the assets are ready for their intended use.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

An item of PPE asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Any Gains or losses arising from disposal or retirement of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of assets, and are recognized in the Statement of Profit and Loss when the assets is derecognised.

VI. INTANGIBLE ASSETS

For Transition to Ind AS, the Company has elected to continue with the carrying value of intangible assets recognized as of April 01, 2016(transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets are stated at cost (net of recoverable taxes) less accumulated amortization and impairment loss. Intangible assets are amortised over their respective estimated useful lives on a straight line basis, from the date they are available for use. The estimated useful life of an identifiable intangible assets is based on a number of factors including effect of obsolesce, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditure required to obtain the expected future cash flows from the assets. Amortization method and useful lives are reviewed periodically including at each financial year end.

Depreciation on subsequent expenditure on intangible assets arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

An Intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of assets, measured as the difference between the net disposal proceeds and the carrying amount of assets, and are recognized in the Statement of Profit and Loss when the assets are derecognised.

VII. FINANCIAL INSTRUMENTS

A Financial instrument is any contract that gives rise to a financial assets of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

a. Initial Recognition and measurement

Purchases or Sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e. date that the Company commits to purchase or sell the assets.

b. Subsequent measurement

For Purpose of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- **Financial Assets at amortized cost**

A Financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial Assets at fair value through other comprehensive income (FVTOCI)**

A Financial asset is measured at FVTOCI it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial Assets and Equity instruments at fair value through profit or loss (FVTPL)**

A Financial asset which is not classified in any of the above categories are measured at FVTPL.

- **Other Equity Investments**

All other equity investments are measured at fair value,, with value changes recognized in statement of Profit and Loss, except for those equity investments for which the company has elected to present the value changes in 'Other Comprehensive Income'.

- **Cash and Cash Equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balance with banks which are unrestricted for withdrawal and usage.

c. Investments in subsidiaries, Associates and Joint Ventures

ECL Impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of Profit and Loss.

ii. Financial Liabilities

a. Classification as Debt or Equity

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definition of a financial liability and an equity instrument.

b. Initial Recognition and measurements

Financial Liabilities are recognized when the company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

c. Subsequential Measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial Liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair recognized in the statement of profit and loss.

- **Trade and other Payables:**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

- **Loans and Borrowings**

After Initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR Method. Gains and Losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization Process.

d. De-Recognition

A Financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

VIII. Impairment of Non-Financial Assets

The company assesses, at each reporting date. Whether there is an indication that an assets may be impaired. If any indication exists, or when annual impairment testing for an assets is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's(CGU) fair Value less cost of disposal and its value in use.

Recoverable amount is determined for an individual assets, unless the assets does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the assets is considered impaired and is written down to its recoverable amount.

In assesseing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount are that reflect current market assessments of the time value of money and the risks specific to assets. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment of loss of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss.

A previously recognized impairment loss(except for goodwill) is reversed only if there has been a change in the assumptions used to determine the assets recoverable amount since the last impairment loss was recognized. The reversal is limited to the carrying amount of the assets.

IX. REVENUE RECOGNITION

- Sale of Services
Revenue from rendering services is recognized when the performance of agreed contractual task has been completed.
- Interest Income
Interest Income from a financial assets is recognized using effective interest rate method.

X. CENVAT/VALUE ADDED TAX/ GOODS AND SERVICE TAX

Cenvat/Value Added Tax/Goods and Service Tax benefit is accounted for by reducing the purchase cost of the materials/fixed assets/services.

XI. LEASE

As a Lessee

Lease in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating lease. Payments made under operating lease(net of any incentives received from the lessor) are charged to statement of profit and loss on a straight line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a Leassor

Lease income from operating lease where the company is a lessor is recognized in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

XII. FOREIGN CURRENCY TRANSACTIONS

The Functional currency of the company is Indian Rupees which represent the currency of the economic environment in which it operates.

Transactions in currencies other than the company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. Monetary items denominated in foreign currency at the year end and not covered under forward exchange contracts are translated at the functional currency spot rates of exchange at the reporting date.

Any income or expense on account of exchange difference between the dates of transactions and on settlement or on translation is recognized in the profit and loss account as income or expense.

Non Monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translated using the exchange rate at the date when the fair value was determined. Translation difference on such assets and liabilities carried at fair value are reported as part of fair value gain or loss.

XII. EMPLOYEE BENEFITS

i. Short term employee benefits:-

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employee render the related services are recognized in respect of employees services up to the end of the reporting year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Long term employee benefits:-

Compensated expenses which are not expected to occur within twelve months after the end of year in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

iii. Post Employment obligations

a. *Defined Contribution Plans*

The Company is not covered under the Employees State Insurance Act and the Provident Fund Act.

b. *Defined benefit plans*

Gratuity

The Company provide for Gratuity obligations through a defined benefit retirement plan (the 'Gratuity Plan') covering all employees. The Gratuity Plan Provides a lumpsum payments to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the company. The company provides for the Gratuity plan based on actuarial valuations in accordance with Indian Accounting Standard 19(Revised), "Employee Benefits". The present value of obligation under gratuity is determined based on actuarial valuation using Project Unit Credit Method, which recognizes each period of services as giving rise to additional units of employee benefit entitlement and measures each unit separately to build up the final obligation.

Gratuity is recognized based on the present value of defined benefits obligation which is computed using the projected unit credit method. With actuarial valuations being carried out at the end of each annual reporting year. These are accounted either as current employee cost or included in cost of assets as permitted.

Leave Encashment

As per the company's policy, leave earned during the year do not carry forward, they lapse if the current period's entitlement is not used in full and do not entitle employees to a cash payment for unused entitlement during service.

XV. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when the company has a present obligations (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimates of the consideration required to settle the present obligation at the end of the reporting year, taking in to the account the risk and uncertainties surrounding the obligation. When the present obligation. Its carrying amount is the present value of those cash flows.

Contingent assets are disclosed in the financial statements by way of notes to accounts when an inflow of economic benefits is probable.

Contingent Liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

XVI. CASH FLOW STATEMENTS

Cash Flow are reported using the indirect method. The cash flows from operating, investing and financing activities of the Company are segregated.

XVII. EARNING PER SHARE

Basic Earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earning per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares that could have been issued upon conservation of all dilutive potential equity shares.

XVIII. INCOME TAXES

The Income Tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rates adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting year. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting year and are expected to apply when the related deferred income tax is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting year and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balance relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has legally enforceable rights to offset and intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

XIX. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of restated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

- i. Useful life of tangible assets refer Note-2V
- ii. Useful life of intangible assets refer Note-2VI
- iii. Impairment of financial assets refer Note-2VII
- iv. Impairment of non-financial assets refer Note-2VIII
- v. Provision, Contingent Liabilities and Contingent Assets refer Note-2XV

Estimates and judgments are continuously evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

3. Recent Accounting Pronouncements

Application of new and revised Ind Ass:

Ministry of Corporate Affairs (MCA) through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind As which company has not applied as they are effective for annual periods beginning on or after April 01, 2018:

Ind AS 115 Revenue from Contracts with customers

Ind AS 21 The effect of changes in foreign exchange rates

The Company is evaluating the impact of these pronouncements on the financial statements.

Ind AS 115- Revenue from Contracts with Customers

On March 28, 2018, Ministry of Corporate Affairs (MCA) has notified the Ind AS 115, Revenue from Contract with customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standards requires enhanced disclosures about the nature, amount timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Standard permits two possible methods of transition:

- **Retrospective Approach-** Under this approach the standards will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors.
- **Retrospectively with cumulative effect of initially applying standard** recognized at the date of application (cumulative catch-up approach). The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 01, 2018.

The Company is in the process of making an assessment of the impact of Ind AS 115 upon initial application.

Appendix B to Ind AS 21, Foreign Currency transactions and advance consideration

The amendment clarifies on the accounting of transactions that including the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of non-monetary prepayment assets or deferred income liability. If there are multiple payment or receipt. The company is evaluating the impact of this amendments on its financial statements.

4. OVERALL PRINCIPLES

The company has prepared the opening balance sheet as per Ind AS as of April 01, 2016 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets and liabilities which are not permitted by Ind AS, by reclassifying certain items from previous GAAP to Ind AS as required under the Ind AS, and applying Ind AS in the measurement of recognized assets and liabilities. However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below:

First Time adoption of Ind AS

The Accounting policies set out in Note 2 have been applied in preparing the financial statements for the year ended March, 2018 and March 31, 2017.

Exemptions and Exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS as at the transition date, ie April 01, 2016.

A. Ind AS Optional Exemptions

i. Deemed Cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plants and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for interchangeable assets covered by Ind AS 38 Intangible Assets and Investment Property covered by Ind AS 40 Investment Properties.

Accordingly, the company has elected to measure all of its property, plant and equipment, intangible assets and investment Property at their previous GAAP carrying value.

ii. Designation of previously recognized financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI on the basis of the facts and circumstances at the date of transition to Ind AS.

The company has elected to apply this exemption for its investment in equity instruments.

iii. Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contain a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangements. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material.

The Company has elected to apply this exemption for such contracts/arrangements.

iv. Impairment of Financial Assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101. It has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

v. Investments in subsidiaries, associates and Joint Ventures

The company has elected to measure investment in subsidiaries, associates and Joint venture at cost.

B. Ind AS as Mandatory Exceptions

i. Estimates

An Entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made in for the same date in accordance with previous GAAP (After adjustments to reflected any difference in accounting polices), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 01, 2016 are consistent with estimates as at the same date made in conformity with previous GAAP.

ii. Classification and measurement of Financial Assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investments in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Accordingly, classification and measurement of financial assets has been based on the facts and circumstances that exist at the date of transitions to Ind AS.

38. Financial risk Management objective and polices

The company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the company's operations and to provide guarantees to support its operations. The company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The company's business activities expose it to a variety of financial risks, namely liquid risk, market risks and credit risk. The company's senior management has the overall responsibility for the establishment and oversight of the company's risk management policies are established to identify and analyze the risks faced by the company, to set appropriate risk limits and controls and to monitor risk and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

38.1 Management of Liquidity Risk

Liquidity risk is the risk that the company will face in meeting its obligations associated with its financial liabilities. The Company's Approach to managing liquidity is ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The following table shows the maturity analysis of the company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance sheet date.

38.3 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from the deposits with banks and financial institutions and other financial instruments.

38.4 Trade Receivables

Customer Credit risk is managed by each business unit subject to the company established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored at March 31,2020.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The company does not hold collateral as security. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operates in largely independent markets.

39. Capital Management

Capital includes issued equity capital and share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximize the shareholder value.

The company manage its capital structure and makes adjustments in light of changes in economic conditions and the requirements of financial convections. The company monitors capital using a gearing ratio, which is net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations. The company monitors capital using gearing ratio, which is total debts divided by total capital plus debts. In order to achieve this overall objective, the company's capital management amongst other things, aims to ensure that it meets financial conventions attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial conventions would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial convents of any interest-bearing loans and borrowing in the current year.

No Changes were made in the objectives, polices or processes for managing capital during the years ended March 31, 2020. March 31, 2019, March 31, 2018.

40. Tax Reconciliation

No Provision has been made for the deferred tax assets or liabilities in the books of accounts as required under Ind AS issued by the ICAI in view of the carried forward losses and also likely losses in the future years. It was explained to us by the management that there is no certainty when commercial operation will start on mass scale basis and hence no provision for deferred tax assets/liability is made.
